

Out and about in the classes

...from the teachers, Term 4 2021

Junior Hub

Aimee, Diane and Tarryn

Meri Kirihimete from the Junior Hub Team! It has been fantastic to have the whole of Term 4 at school and no lock downs! We have been so lucky compared to our Auckland school friends. The Junior team has welcomed some new members...Keanu, Arya, Poseidon, Marley, Ava and Dawn and we have loved watching them settle into our Mosston community. We have held a successful Junior athletics event, learnt how to ride a bike, been swimming, created products for our three ventures on Market Day and started learning some hub songs for our final prize giving. There is never a dull moment at Mosston School!

During Investigations we have enjoyed playing supermarkets, celebrated Diwali, painted with watercolors, built with our new wood creations, played in the water and the list goes on! We are currently enjoying the new equipment that we received from the Margaret Watt Trust - we were so lucky!

We would like to take this opportunity to say a huge thankyou to all our AMAZING junior hub children and their whānau for your support over 2021. We really couldn't have done it without you all! We value our home-school partnerships and the difference we all make together in our tamariki's learning journey. Enjoy the Xmas break everyone and we look forward to hearing about your adventures and seeing you back in 2022.

Kiwi Hub

Abby, and Hayley

WOW! Term 4! It has been another busy term. We started back working on our PREP projects with students making products, completing signage and posters for their product. CEOs worked extra hard to manage their group and keep them all motivated and working hard. Market Day was a huge success, with all students using the tāra they had earned throughout Term 3 & 4 to buy products from their school friends.

Not only have the tamariki worked extremely hard in the classroom, but they were all successful with our recent athletics. Students were able to show off their running, jumping and throwing skills to their teachers and classmates. We were also lucky enough to have Bike Week, where we learned a few safe options when riding our bikes. During this time, students checked their bike prior to hopping on, rode at safe distances, practised controlling their steering and working on different speeds.

The Kiwi Hub are now working hard to create a dance and song for our virtual prizegiving. Have a safe and happy holiday break. We are looking forward to seeing you all in 2022! Mere Kirihimete!

Tui Hub

Laura and Kate

Term 4 started back settled and we were all ready to get stuck into the busy term ahead. At the forefront of everything was of course PREP which had children quickly getting their products and signage ready for Market Day. This required a huge amount of self-motivation on the part of CEOs and team members to keep focused on the end goal. Children were all relieved and very proud once the last Tara had been counted and the last lot of supplies and cleaning had been sorted.

We enjoyed having Miss Mackenzie in Room 6 for the beginning of term working with groups and helping us all learn Athletics in PE ahead of the Senior Athletics afternoon. Bike Week was also a highlight, especially for the Year 6's who ventured out onto the roads to apply their skills. The Year 6's are now busy getting ready for Intermediate and the Leavers' Dinner. We are all in preparation mode for our end of year prize giving and performances. While it will look a little different this year, we are still very excited to perform and celebrate the achievements of our peers!

It has been a crazy year and we have greatly appreciated the hard work from our Tui Hub tamariki and the amazing support from Whānau. We hope everyone has a well deserved Christmas break and we look forward to seeing you back in 2022!
