

# Out and about in the classes

...from the teachers, Term 4 2022

## Junior Hub

Diane, Lisa and Tarryn

Meri Kirihimete from the Junior Hub! It is not long now until the end of our 2022 year and Christmas. The last few weeks of school are proving to be very busy with swimming, dance practises, athletics...just to name a few! We are all looking forward to our final ka Pai Kids celebration at Kowhai Park.

We are continuing our normal classroom programmes until the end of week 8. During Investigations we have been looking at space, watching our tadpoles grow (talking about their life cycle), printmaking, writing letters, taking part in dramatic roles within our 'hospital', building, making creations out of boxes...the list goes on! Our tamariki just love our Play Based Learning, most saying it is their favourite time of the day. As the term comes to an end we would like to say a big thank you to all our parents who have made our home school partnership and children's learning journey so positive. A HUGE thanks to our AMAZING tamariki - you have been just the best! Enjoy your holidays - you have earned it.

## Kiwi Hub

Abby and Hayley

Wow, what a busy Term 4 we have had! Each day we have been practising our end of year dancing and singing items. More recently, we have spent time creating our costumes to wear for the night. We are looking forward to sharing this with you all on Monday 12th December at our school prize giving.

We have been very active learners this term with athletics, swimming, and Tough Kids for our Year 4s! It was wonderful to see so many friends and whānau supporting our kids at junior and senior athletics. Kiwi Hub was lucky to visit the Whanganui Resource Recovery Centre to learn about key numbers when recycling. Ask your child the three key numbers to look for when you are recycling!

We have had many successful learners in our hub celebrated during our Ka Pai Kids Club. We held our own Mosston School Cup, where we competed for a team in events we chose. It was fantastic! We are looking forward to celebrating in Week 9 with student choice activities.

We want to thank all whānau for your continued support this year. We want to wish you a happy holiday and look forward to seeing you in the new year!

Merry Christmas - Abby & Hayley

## Tui Hub

Roman and Kate

Wow wee it has been full on in the Tui Hub! We have spent the term learning about recycling, athletics, swimming and much more. We've also been working super hard to choreograph our dances for the end of year prizegiving, with Alexis Ritani working over time to write the script as well.

Mosston's Got Talent was a highlight early on in the term and we were very proud of our place getters and all who performed.

In Week 4 we joined with the Kiwi Hub to have our Mosston School Cup for the Ka Pai Kids celebration. It was a lot of fun and we are looking forward to our last one in Week 9.

The highlight of the term was definitely camp in Week 5. We travelled down to Forest Lakes for a very hot, active and fun week. The children all really enjoyed the varied activities, especially the horse riding and the mudslide. We were so lucky to have some amazing parent helpers and we couldn't do it without them!

We are looking forward to all the end of year activities, including Leavers' Dinner, Prizegiving and Final Assembly. We'd also like to give a special shout out to Rex for all his hard work in the Tui Hub this year. Our children are so lucky to have him working with us.

Thank you to all the whānau for your support over this year. Have a wonderful holiday and see you next year.

Merry Christmas - Kate and Roman
