Mosston School Stationery List 2019

We encourage you to cover the 1B5 exercise books. The other books (Literacy, Maths and Activity) are best uncovered. Each book needs to be named and the subject written on it. Our office does not carry large stocks of stationery. Please make the most of the start of year specials in town and rely on the office for special items and top ups when needed.

Mathletics (www.mathletics.co.nz) will be used by all pupils from Kereru to Room 6 to support their numeracy learning. The Board of Trustees subsidised cost for this is $10 per child for the annual subscription. This should be paid to the school office

For all pupils the e-portfolio software "Seesaw" will be used. There is an annual subsidised subscription of $5.00 which is being covered by the Board of Trustees.
