

Mosston School Stationery List 2020

We encourage you to cover the 1B5 & 1E5 exercise books. Each book needs to be named and the subject written on it. Our office does not carry large stocks of stationery. Please make the most of the start of year specials in town and rely on the office for special items and top ups when needed.

Mathletics (www.mathletics.co.nz) will be used by all pupils from Kereru to Room 6 to support their numeracy learning. For all pupils the e-portfolio software “Seesaw” will continue to be used. Children are encouraged to participate in the Scholastic Lexile reading programme. The licence fees for these are paid for by the school.
